

On behalf of the Rehobeth Town Council I want to welcome you to our website. I hope it will provide you with useful and comprehensive information. As Mayor, I am continually striving to work with everyone to make Rehobeth a better place to live.

Rehobeth is a town on the move. We are a growing and prosperous community a short distance from Dothan, Alabama and just a short drive to the beautiful white sands of Panama City Beach, Florida. Rehobeth is a community where the perfection of nature, the treasures of a rich heritage and the bright promises of tomorrow work in harmony to exemplify the true meaning of "Quality of Life."

Small town charm is probably the best way to describe Rehobeth, Alabama. All around the area, beauty abounds. Tree-lined streets, beautiful homes and clear skies add to the appeal. Our abundance of rolling farmland, reputable schools and friendly people contribute to the high quality of life residents of Rehobeth have come to appreciate.

Old fashioned values and pride are what make Rehobeth one of the greatest places in Alabama to live. Best of all, people enjoy the friendly, down to earth community that exemplifies Rehobeth. Come and see for yourself, the charm and friendliness of the Deep South found in our hidden treasure known as the Town of Rehobeth.
